

# Do you Kangaroo?

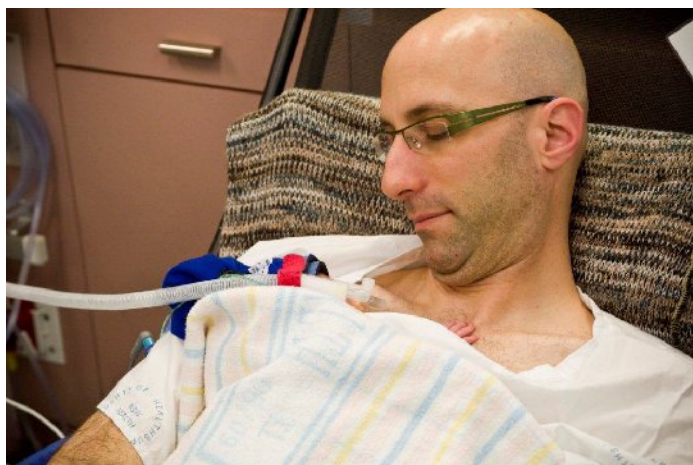

## KANGAROO-A-THON

15 - 29th May 2021

Kangaroo Care is known to be extremely important in the growth and development of babies particularly, preterm babies. Did you know that while it is good for babies, it is also crucial for the health and well-being of parents?

In celebration of *Kangaroo Care Awareness Day* on 15th May please join Miracle Babies for Australia's 2nd annual **Kangaroo-a-thon!**

We encourage you to talk to staff and plan a good time and comfortable place for you to try Kangaroo Care. We hope you enjoy many hours of brain developing, neuro-protective, attachment building, and immunity boosting good times.

**SHARE** your Kangaroo Care photos on social media  
[#kangarooathon](#) [#kangarocare](#) [#kangarocuddle](#)  
[#nicu](#) [#specialcare](#) [#miraclebaby](#) [#premmie](#)

**LOG** your Kangaroo Care hours on the *Count your Kangaroo Cuddles* form.
