

# FAQ:

## Q: How do I set up a fundraising page?

A. Upon registering as an individual, you will receive a link to set up a fundraising page. You can then edit your campaign name e.g. >Name< Miracle Moon Walk 2026, your fundraising goal, and fundraising page by adding photos, stories and updates.

## Q: Can I enter a group or team?

A. Yes! To do this, you will need to register first as an individual with your own email. Upon registering as an individual you can set up a team for other registered individuals to join.

## Q: How do I register and how much is it?

A. Registering for our Sydney, Perth or Virtual Moon Walk can be done on our website: <https://www.miraclemoonwalk.com.au>

Registration fees are \$75 for physical events (Sydney and Perth) and FREE for Virtual.

## Q: Why are my team members not showing up on my page?

A. If you have registered 'somebody else' with your email address then only you will have a personal fundraising page, and also only your name will appear on your Team page (if you have created one). To avoid this, please use a separate email for each individual registration.

## Q: What if I cannot attend the event?

A. That's okay, we've got it sorted! You can still participate and fundraise through our Virtual Miracle Moon Walk - anywhere, and on any date in August or September. We also provide suggested routes for our supporters in Brisbane, Melbourne, Newcastle, Hobart, Adelaide and Darwin. Virtual registration can also be found on <https://www.miraclemoonwalk.com.au/>
