

# Letter of request: Grandparents Day Fundraising Activity

My child was born requiring specialised care and this experience impacted my entire family, including the grandparents of my miracle. In honour of **Grandparent's Day, 30th October**, I would like to endorse Miracle Babies Foundation and ask for support in helping to raise funds during your Grandparents Day Celebrations this year for the **Miracle Babies Proud Grandparents Project**, supporting families and the grandparents of babies born premature or sick.

**Gold coin donations will make a big difference.....**

**\$10**

Provides a support resource specifically for grandparents (provided to families in the hospital)

**\$47**

Provides a support resource, plus access to emotional support services for grandparents (for one family)

## **To Register The Fundraising Activity:**

Email [nicole.carey@miraclebabies.org.au](mailto:nicole.carey@miraclebabies.org.au) to obtain an Authority to Fundraise for Miracle Babies at the Grandparents Day Celebrations

*Watching your own child experience this entry into parenthood can be a difficult time and going weeks or even months without meeting your grandchild is hard to cope with. Miracle Babies Proud Grandparents Project aims to raise awareness of the important role of grandparents in the NICU/SCN journey and provides support for grandparents to help them cope with the unique and emotional experience.*

**SCAN TO DONATE FUNDS RAISED:**
