What is Miracle Moon Walk?

Miracle Moon Walk is a spectacular evening adventure that takes in some of the city's most iconic sights and surrounds. This magical night walk raises vital funds to support premature and sick newborns, their families, and the incredible work of the Miracle Babies Foundation.

It's a fun, relaxed walk suitable for all ages - no training required! You're guaranteed a night to remember as you walk beneath the setting sun and watch the stars appear... all for a wonderful cause. You'll have two route options:

- **Short Route:** Approx. 5km
- **Long Route:** Approx. 8km

Maps for both will be included in your walker pack.

This year, we're getting ready to **'Reach for the Stars', together**, as we journey to the moon.

FOR THE KIDS: Every child will receive a special passport to take on their moon mission. Along the way, they'll visit our Star Stations, collecting stamps and fun goodies. Once their passport is complete, they can return to the event hub to receive a special certificate — and a free ice cream!

For the adults:
Your time to shine!
All adults will receive a digital
timing stick....

Are you ready?

Throughout the route (short or long - your choice), you will find special digital check-in points. Just tap your timing stick at each one - the more check-ins you complete, the more chances you'll have to win great prizes!

These check-ins are hidden throughout Sydney's CBD and harbourside. Take in some of Sydney's stunning and most iconic sites, while checking in at the hidden locations along the way.

We're challenging every single one of you to find as many as you can before you head back to the finish line to celebrate, relax, reflect and enjoy as the stars emerge and we end on a high in the beautiful light of the moon.

Your fundraising makes a HUGE difference!

The fundraising goal for 2025 is \$140,000!

This would further support 980 families during their hospital journey.
It's a big number, but with your help we think we can do it.

Successful fundraising on socials is really simple. Most importantly, the cause resonates with every parent and grandparent, and it typically takes less than 10 donations to reach your minimum fundraising target.

To help you on your way, we suggest doing the following:

- Make sure that your personalised fundraising page is set up. Your personalised fundraising page is created when you sign up. If not, please email community@miraclebabies.org.au and we can help.
- If you have set up a Team Page – share with your family and friends and get them to join you!
- Share your personal story if you have one and a photo on your personal Fundraising Page, then share this via social, email etc.
- Follow the dedicated Miracle Moon Walk Facebook and Instagram pages with plenty of great content for you to quickly share (search @miraclemoonwalk). Keep your eyes on these pages for regular updates!
- Get creative! Create challenges for your friends and family, BYO donation at your next BBQ, ask schools and workplaces to sponsor you and more. You can simply 'donate' any money raised in person via your personal fundraising page!

Top Fundraisers Awards will be presented on the night for Individual and Team!

*Decision will be based on fundraising totals as of 4pm on the night of the event.
