

Miracle Babies Foundation  
**NurtureGroup**  
Part of the Miracle Babies Foundation NurtureProgram™

## WA - Rockingham 2021

**NurtureGroups** are a free play and support group for families of premature and sick newborns. NurtureGroups are facilitated by our NurtureProgram Team of families who themselves have had a premature or sick newborn. Babies and children birth to starting school that have been challenged by prematurity or sickness can learn and develop through play in a fun and relaxed environment. Siblings are welcome.

Parents and carers can meet, share stories, exchange ideas on parenting, tackle medical issues and rebuild support networks and form lasting friendships.
