Welcome

THANK YOU FOR CHOOSING TO SUPPORT MIRACLE BABIES FOUNDATION.

Every year in Australia, around 48,000 newborn babies require the help of a Neonatal Intensive Care Unit (NICU) or Special Care Nursery (SCN). 27,000 of these babies are born premature and up to 1,000 babies lose their fight for life.

For families, the experience of having a baby come into the world not as expected or planned is life-changing.

Without support these families are at increased risk of depression, fear, guilt and stress whilst falling into a spiral of feeling isolated and helpless.

With your fundraising efforts, you help support our *NurtureGroup* and *NurtureTime* programs which run in and out of hospitals. These free services help connect these families with the support, companionship, resources and services they need during this difficult time.

We hope this toolkit helps navigate you to a fundraiser that you are passionate about whilst instilling change in the community.

Help a miracle, together in teal.

Why Teal?

At Miracle Babies Foundation, we proudly embrace the colour **teal** as a symbol of strength, hope and unity for families of premature and sick newborns.

Teal represents the journey of these families and the unwavering support that surrounds them, near and far.

We've named our movement **Together in Teal** because no family should feel as they are alone in this difficult time.

This campaign is designed to bring people together, no matter their fundraising goals, ideas, interests or situation.

Whether you are hosting a morning tea, taking on a fitness challenge, workplace giving, or dedicating a fundraiser to your very own miracle - there is a way for everyone to get involved.

Every effort big or small makes a difference in supporting the lives of families impacted by a miracle baby. Let's make a difference...

Together, in Teal.
